CAFÈ RACER UNIVERSAL KIT

Per il sempre più diffuso fenomeno delle caffè racer, G.P.R. Italia propone una selezione di silenziatori ed accessori per dare nuova vita alla vostra vecchia moto.

I terminali sono provvisti di db killer rimovibile ma non di raccordi specifici. Si consiglia di avvalersi dell'aiuto di una officina specializzata per l'installazione.

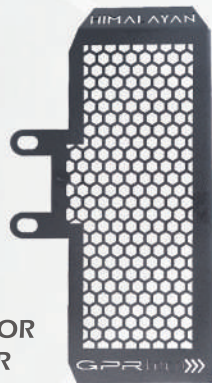

Sul sito www.gpr.it sono disponibili tutti gli accessori (tubi, adattatori e curve) per realizzare le trasformazioni Café Racer.

Given the incredible spread of Café Racers, G.P.R. Italia offers a selection of silencers and accessories to give new life to your old bike.

The exhausts are equipped with a removable db killer but we don't provide any specific link pipe. For installation, the help of a specialized workshop is strongly recommended.

Find on www.gpr.it all the accessories (tubes, adapters and curves) to create your Café Racer transformation.
